# Year 6

## Workshop or Camp.

“Excited” “Scared” “Apprehensive” are some of the ways year 6 students describe their feelings about the move to high school. Our dynamic transition program celebrates the end of primary school and builds the skills and thinking required for the exciting journey ahead into high school.

### Focus Values.

Resilience  
Bravery  
Adaptability

### Social & Emotional Learning Capabilities.

Self Awareness  
Relationship Skills

# Year 9 & 10

## Journey Based Camp.

When our young people are in the thick of their transition into adulthood, the road can get bumpy and confusing. This journey-based program uses adventure and challenge to start conversations about the stuff that really matters to young adults. We love seeing the magic that can happen when students are given the space to explore, connect and find out that there is more in them than they think possible.

### Focus Values.

Optimism  
Perseverance  
Responsibility

### Social & Emotional Learning Capabilities.

Self Awareness  
Self Management  
Relationship Skills  
Social Awareness  
Responsible Decision Making

### Terrain Options.

Coastal  
River  
Bush

### Accommodation Options.

Perth Region  
Dwellingup Area  
South West Region  
Great Southern  
East and West Kimberley

### Program Length.

3 - 5 days journey camp

# Years 9, 10 & 11

## Expedition Immersion.

If you want to see true transformation amongst your students, let us take them on an immersion expedition experience like no other. We purposefully design a journey for deep learning and connection, an environment ripe for profound social and emotional development. This program is packed with opportunities for students to take charge of how they show up, how they support each other and how these learnings translate to life beyond the school experience.

### Focus Values.

Community  
Critical thinking  
Collaboration  
Mastery

### Social & Emotional Learning Capabilities.

Self Awareness  
Self Management  
Relationship Skills  
Social Awareness  
Responsible Decision Making

### Terrain Options.
